

PLANT HOPE

Fragrant Easter Lilies and colorful tulips, hyacinths and mums, what better way to celebrate spring. All our spring flowers are potted and feature a decorative pot cover.

Our beautiful plants also have the added benefit of helping some very special children and adults who are coping with the daily challenges of hemophilia and similar bleeding disorders. Plant them and they just keep on giving blooms and pleasure.

Easter lilies have 4 or more blooms
Tulips, hyacinths, and mums come in assorted colors. Each plant is in a 6-inch pot with a decorative foil cover.
Only a \$9.80 donation

Delivery is available for orders of 25 plants or more for an additional charge.

If you would like to be a VOLUNTEER SELLER, PLEASE CALL US. WE NEED YOUR HELP.

For the Greater Louisville Area

Fax, mail, call in or place order online or via volunteer seller
Kentucky Hemophilia Foundation
1850 Taylor Avenue, Suite #2, Louisville, KY 40213-1594

WHAT IS HEMOPHILIA

Hemophilia is a bleeding disorder that affects one of every 7,500 boys and men from birth. A similar disorder, von Willebrand disease (vWD), affects men and women equally. One of every 100 women suffers from vWD.

Adults and children with these bleeding disorders experience spontaneous and prolonged bleeding due to the lack of clotting factors in their blood. There is no cure, and treatment to control the bleeding can cost \$100,000 a year, every year of their lives.

It's more than most families can bear on their own. Because of KHF, they don't have to.

The Kentucky Hemophilia Foundation, or KHF, is the Kentucky Chapter of the National Hemophilia Foundation. We are a private, non-profit organization established in 1960 as a support system by and for concerned parents. Some of our founding members are still involved in Chapter activities.

Since our incorporation, KHF has grown into a statewide health agency serving families affected by hemophilia or a similar bleeding disorder. KHF's programs and services extend to hundreds of families throughout Kentucky.
